- First combi oven?

8. Site readiness:

- [Link to Pre-Sale Site Requirements Checklist](#)
- Site Readiness checklist complete and submitted with P.O.
- Site Readiness Form Pending

9. Water filtration:

- Water criteria provided to customer
- Correct base filtration or RO system(s) specified
- Purchased through Convotherm (Pentair)
- Alternate provider: _____
- Water quality and the proper selection of water filtration products is the customer's responsibility.

10. Installation and startup (check to acknowledge):

- Startup is required to begin warranty coverage (warranty is void without Startup)
- Convotherm Certified Installation includes Startup
- FAS STARTUP is required when Convotherm Certified Installation is not purchased
- For Dealer installation and start-up, requirements must be met and approved by Convotherm - please contact your representative for more details

11. Preferred servicer (if applicable*):

- [Use this link to launch install/service locator](#)
 - Preferred servicer (if applicable) noted on the P.O.
 - Confirm FAS is within 100 miles of site, or
 - Over 100 miles add additional distance charge to P.O.
- *Convotherm selects an appropriate service partner for installation and start-up, unless a preferred servicer is formally requested and vetted by Convotherm
