---

## Original Instructions Installation, Operation and Maintenance Manual

This manual is updated as new information and models are released. Visit our website for the latest manual.

---

## Safety Notices

### **DANGER**

Indicates a hazardous situation that, if not avoided, will result in death or serious injury. This applies to the most extreme situations.

### **Warning**

Indicates a hazardous situation that, if not avoided, could result in death or serious injury.

### **Notice**

Indicates information considered important, but not hazard-related (e.g. messages relating to property damage).

### **Caution**

Indicates a situation that, if not avoided, could damage the refrigeration system or result in minor injury.

NOTE: Indicates useful, extra information about the procedure you are performing.

### **Warning**

Read this manual thoroughly before operating, installing or performing maintenance on the equipment. Failure to follow instructions in this manual can cause property damage, injury or death.

### **Caution**

Installation and maintenance/servicing are to be performed only by trained and qualified personnel familiar with commercial refrigeration systems.

### **Caution**

Ensure that all field wiring conforms to the equipment requirements and all applicable local and national codes.

### **Caution**

Disconnect all power sources before servicing the refrigeration equipment.

### **Caution**

Sheet metal and coil surfaces have sharp edges. Use appropriate protective gloves to prevent injury.

### **Caution**

Use appropriate eye protection during installation and servicing.

## General Information

---

### Receiving Inspection

- Check the shipment carefully and compare to the bill of lading.
- Account for all items listed and inspect each container for damage.
- Carefully inspect for any concealed damage.
- Report any shortages or damages to the carrier, note on the bill of lading, and file a freight claim.
- Damaged material cannot be returned to the manufacturer without prior approval.
- A Return Material Authorization (RMA) must be obtained. Contact a sales representative at 800-826- 7036.

### Warranty Information

For information regarding warranty guidelines, claim form, product registration, warranty verification, or locating a service provider please visit our website at [www.kolpak.com](http://www.kolpak.com) or call 800-225-9916.

## Seismic Indoor Walk-in Package

- For units in high seismic rated areas, the walk-in must be secured to the concrete foundation and the ceilings must be secured to the walls.
