Variety**

Two breads,
side by side

**Energy
Savings**

Reduce power
25% during
slow times

Why Operators Switch

Keeps lines moving
during rush

Less training, fewer
setting mistakes

3-year validated
heater life

**TOAST EZ
FIT CHECK**
(2+ = strong fit)

- ✓ Multiple bread types across dayparts
- ✓ Throughput pressure during rush
- ✓ Changeovers slow the line
- ✓ Inconsistent results from shift to shift
