

# Allergen Saf-T-Zone™ System

## CARE INSTRUCTIONS

Thank you for purchasing the Allergen Saf-T-Zone™ System by San Jamar, the leader in food safety solutions. The Allergen Saf-T-Zone™ System is an important part of creating and executing procedures to protect guests from dangerous food allergen exposure.

### Included in the System are the following:

- 1 - Allergen Saf-T-Zone™ purple case
  - 1 - 12 x 18 x ½" purple Saf-T-Grip® cutting board
  - 1 - 13" stainless steel turner with purple handle
  - 1 - 10" stainless steel Chef's knife with purple handle
  - 1 - 12" stainless steel tongs with purple handle
- \*Purple thermometer available as an accessory - see below*

The Allergen Saf-T-Zone™ System is NSF Listed. While the tools and cutting board are dishwasher safe, **THE CASE SHOULD ONLY BE HAND WASHED AND SANITIZED.** In order to maintain an Allergen Saf-T-Zone™, it is crucial that the cutting board and tools are washed and sanitized after each use. Allow case, cutting board and tools to dry completely before repacking case.

### CAUTIONS:

- Open case on a flat, stable surface with case logo side up.
- Use caution when opening case. Contents may have shifted during storage or transport.
- Always make sure board and tools are securely snapped into their holders before transport.
- When not in use, store case flat, logo side up. Use extra caution if storing upright.

### Allergen Saf-T-Zone™
