Stainless Steel shelving products are warranted against corrosion for the lifetime of the product.

All shelves and posts must be cleaned on a regular basis with mild detergents. The use of abrasive materials and stiff brushes or scrapers will invalidate this warranty, as will physical damage rupturing the coating or exposure to corrosive substances and vapors. Corrosion resulting from chips, scratches, abrasion, or normal wear is not considered to be naturally occurring. Warranty applies only when shelves and posts have been used continuously within a temperature range from –20° to +125° Fahrenheit.

To obtain warranty service, contact the original seller. Subject merchandise must be returned freight pre-paid to SPG International, LLC, 11230 Harland Drive NE, Covington, GA 30014 along with a copy of the original purchase invoice. Once the returned merchandise is inspected and the warranty claim is validated, a credit will be issued toward the replacement merchandise. Disassembly and subsequent re-assembly are the responsibility of the owner of the original installation. Casters are not warranted under this Product Warranty.

This LIMITED WARRANTY for Amco™, Freestyle®, ISS™, and LPI™ is the only warranty made by SPG International, LLC, and there are no other warranties, which extend beyond this limited warranty. All other expressed or implied warranties, including those of merchantability or fitness for a particular purpose that exceed the limited warranty stated above, are disclaimed by SPG International, LLC and expressly excluded.
