

Smart Start Package

Get up and running with ease using Southbend's Smart Start Package—designed to make your installation seamless from start to finish.

- ✓ **Hassle-Free Removal & Disposal**

We'll safely remove and dispose of your existing equipment, so you don't have to.

- ✓ **Professional Installation**

Your new unit will be expertly set up and connected to utilities (within 5 feet), ensuring everything is ready to perform.

- ✓ **Simple Scheduling**

An Authorized Service Agent will reach out to you upon shipment to schedule your installation. Please allow a two-week notice to secure your preferred date.

- ✓ **Convenient Delivery Window**

Installations are completed during standard business hours, Monday through Friday, for maximum convenience.
