Introducing the

C SERIES REACH-IN

Simply designed. To be the best. For you.

What more could you ask for in a refrigerator or freezer? Traulsen brings food service professionals the reliability they expect from the leading brand in commercial refrigeration, all while providing long lasting performance at a budget friendly price.

C Series reach-ins are perfect for operations where budget is a priority, without compromising on durability, performance or reliability.

You create great food, Traulsen keeps it safely cool.
