

910-A SERIES DICE WITCH™

Heavy Duty Dicing System

Dice onions and firm vegetables quickly and evenly with the Prince Castle Dice Witch™. Place a vegetable on the Dice Witch™ and with one downward stroke, the pusher head gives you perfectly diced sections. Depending on size of dice desired, just run the onion or vegetable through the Dice Witch™ as many times as needed. The Dice Witch™ is ideal for salsas and garnishes.

This versatile machine can be used for tomatoes, potatoes, apples, or any firm vegetable....or even cut fries!

The solid cast aluminum construction provides for long, reliable service. A sturdy frame sits balanced on four legs with non-skid rubber feet for safe operation. Precise, sharp stainless steel blades ensure a clean cut with every stroke.

910-A
