

HEAT SLEEVES

BENEFITS

COMFORTABLE AND SECURE FIT

EASY-TO-CLEAN MATERIALS

Some kitchen tasks require a more flexible approach when hand protection doesn't need to fit like a glove.

Protect vulnerable arms from inadvertent heat contact with San Jamar's line of heat protection sleeves. All sleeves provide a comfortable and secure fit for reliable heat protection and are easily washable. With different temperature ratings for each sleeve, you are sure to find the heat sleeve that suits your individual needs.
