

## DISPOSAL

### Correct disposal of this product (waste electrical and electronic equipment)

(Applicable in the European Union and other countries with separate collection systems in conformity with European Directive 2002/96/EC)

This product has been made from high-quality parts and materials, which can be re-used and recycled.

Therefore, do not throw the product away with normal household waste at the end of its working life. Take it to a collection point for recycling electrical and electronic devices. This is indicated by this symbol on the product and in the operating manual.

Please contact your local government office for information about the exact location of the closer collection point.

---

## WARRANTY

This product has been manufactured to a high quality standard.

This product is guaranteed against faulty materials and workmanship for a period of one year from the date of purchase when it is used according to the instructions in this instruction and maintenance manual.

Please retain any receipt as proof of purchase.

During the warranty period, this product can either be repaired or replaced, at the manufacturer's discretion, at no additional cost.

If the products needs maintenance or repairs during the warranty period, contact your retailer for shipping instructions. The product should be shipped in its original package or other suitable packing.

The warranty does not apply in case of neglect, misuse, abuse or unauthorized repairs. This warranty does not apply to parts subject to deterioration through normal use such as wear to the basket, the grating disc, etc. This warranty does not apply to damage caused by foreign objects, substances or accident.

The warranty is limited to the costs of repair or replacement of the product or its defective parts, or an amount equivalent to the price paid for its purchase. No additional requests of damages will be available to the purchaser.

This guarantee is in addition to and does not affect your statutory rights.

---

The manufacturer will not accept any liability and the warranty will be invalidated if there is a failure to follow these instructions and the technical and/or safety standards in the country where the appliance is to be used.

In any case these instructions cannot cover every possible event and the user is recommended to use the appliance responsibly.
